Understandings and Agreements (Initial or sign to acknowledge each statement.)

For the applicant and landowner(s) to complete:

Applicant Acknowledgment of Requirements (<i>Communication and Compliance</i>)	
<p>I, the undersigned applicant, hereby authorize Crawford County Planning to communicate with me and/or my designated representative via electronic mail (email) for all matters relating to this permit application, including but not limited to notifications, requests for additional information, determinations, and final decisions.</p> <p>I acknowledge and agree to the following terms:</p> <p>_____ <u>Formal Correspondence:</u> I understand and accept that any and all communications sent via email by Crawford County Planning shall constitute formal correspondence and shall have the same legal force and effect as if sent by certified mail or delivered in person.</p> <p>_____ <u>Designated Email Address:</u> I have provided a valid email address above, which shall serve as the official point of contact for purposes of this application. I agree to regularly monitor this address and ensure it remains active and accessible throughout the application, permit, and inspection process.</p> <p>_____ <u>Notification and Delivery:</u> Delivery of correspondence shall be deemed complete upon transmission of the email to the provided address, regardless of whether the email is subsequently opened or read. I assume full responsibility for any consequences resulting from failure to check the designated email account or to notify Crawford County Planning of any changes to my contact information.</p> <p>_____ <u>Security and Confidentiality:</u> I acknowledge that email communications may not be secure and that Crawford County Planning is not responsible for the confidentiality or unauthorized access of any correspondence once it has been transmitted.</p> <p>_____ Yes, I affirm that I have read and understood the above conditions and voluntarily consent to the use of email as an accepted method of formal communication regarding this permit application.</p> <p>The Applicant is responsible for identifying and complying with all applicable standards governing the proposed development. These may include standards established by Federal, Commonwealth, and local authorities, as well as those published by recognized professional organizations, including but not limited to Surveyors, Architects, Landscape Architects, and Civil Engineers. The Applicant must ensure adherence to all relevant standards, whether explicitly stated in this Ordinance or otherwise applicable to the proposal.</p> <p>_____ Yes, I understand and agree to accept the requirement.</p>	

Acknowledgment of Requirements (*Property Restrictions, Accuracy and Completeness, and Landowner Authorization*)

To be eligible for Subdivision and/or Land Development approval, the subject property must be free of all obligations, encumbrances, and liens—except those held by a bona fide lending institution or bank legally registered in the United States. Additionally, no deed restrictions may exist that would prohibit the subdivision or development of the property.

Do you acknowledge this requirement, and do you understand that no approval will be granted unless these conditions are fully satisfied?

_____ Yes, I understand, agree to accept the requirement, and attest that my submission meets the requirements outlined above.

Applicant Signature

I, the undersigned, hereby certify that the information provided in this application is, to the best of my knowledge, accurate, correct, and complete. I understand that any false statement, misrepresentation, or omission may be grounds for denial, suspension, or revocation of the permit and may subject me to civil and/or criminal penalties under applicable laws.

Definitions

Agriculture - Use of land for the production of food and fiber, including the growing of crops and/or the grazing of animals on natural prime or improved pastureland.

Commercial - A land use that permits facilities for the buying and selling of commodities and services.

Consolidation - consolidation of any number of existing parcels into one parcel, provided that no lot lines are moved, no new street is created, and no existing street or public service easement is extinguished.

Industrial - A land use often divided into "heavy industrial" uses, like construction yards, quarrying, and factories; and "light industrial" uses, like research and development, and warehousing and manufacturing.

Institutional - (1) Publicly or privately owned and operated activities like hospitals, convalescent hospitals, intermediate care facilities, nursing homes, museums, and schools and colleges; (2) churches and other religious organizations; and (3) other nonprofit welfare, educational, or philanthropic activities that cannot be considered residential, commercial, or industrial uses.

Land Development, Major - includes all land developments not meeting criteria for a minor land development.

Land Development, Minor - involves a single structure on a single lot, either new, expanded, or altered in a manner that necessitates compliance with this Ordinance, which meets all of the following criteria: (i) does not involve a non-agricultural earth disturbance of more than one acre or the threshold for NPDES permits (ii) generates no more than one hundred (100) peak hour vehicle trips in one direction (iii) does not involve installation of improvements required by this Ordinance

Lot - A tract or piece of land having fixed boundaries and designated on a plot or survey map. A lot must meet the requirements of the zoning district in which it is located and must front on a public street or an approved private street.

Lot Line Revision - alteration of boundaries between parcels of land, provided that it does not create new lots.

Mixed-Use - Properties on which various uses like office, commercial, institutional, and residential are combined in a single building or on a single site in an integrated development project with significant functional interrelationships and a coherent physical design. A "single site" may include contiguous properties.

Multiple Family - A type of housing that has several residential units on a parcel or parcels of land, such as condominiums and apartments.

Replat - the alteration of existing boundaries of parcels or the creation of new lots

Single-family - a type of housing that is made up of detached dwellings, where each structure houses a single family.

Subdivision, Major - includes the creation of six (6) or more lots or other divisions of land and/or involves the installation of public improvements.

Subdivision, Minor - includes creation of up to five (5) lots and/or other divisions of land, including lot line revisions, lot consolidations, and adjoiner lots, and which does not involve installation of public improvements.

Unit - a single unit providing complete, independent living facilities for one or more persons, including permanent provisions for living, sleeping, eating, cooking, and sanitation

Vacant - Lands that are not actively used for any purpose.
